Re: Extension to Submit Information Relating to
Lower Darby Creek Area Superfund Site

Dear Ms. Prisk:

This is to confirm your conversation with my law clerk, Rebecca Kopp, on October 17, 2001 in which you kindly agreed to extend until November 15, 2001, the deadline by which Temple University must respond to your request for information concerning Temple's waste disposal practices from 1958 to 1976. I will contact you during the week of October 31, 2001, to update you on the Temple's progress in responding to your request for information.

As you and Rebecca also discussed, I would be grateful if you can share the names of anyone involved with Temple University's waste disposal practices from 1958 to 1976. Such information would facilitate our ability to respond comprehensively to your request for information.

Thank you for your assistance.

Sincerely,

Susan B. Smith, Esq.
